The verification covered the full client population and was not based on sampling. Clients included in the verified count were checked against records, data and supporting evidence demonstrating an actual client relationship and the purchase or delivery of services. Duplicate records, enquiries, prospects and any records that did not establish an actual purchased service were excluded.

All review and verification procedures were carried out while preserving the full privacy and confidentiality of clients, their personal data, documents, legal matters, cases and legal services. No client's identity or confidential or protected information is disclosed in this certificate, and information was reviewed only to the extent necessary to establish the verified aggregate count.

VERIFIED RESULT

MORE THAN 10,000 UNIQUE PAYING CLIENTS

Verified through a full-population review of the complete client database, records and supporting evidence, without sampling.

Based on the comprehensive review of the complete records, data and supporting evidence, Business Development Experts FZC LLC hereby confirms and certifies that AI Safwa Law Firm & Legal Consultations has served more than ten thousand (10,000+) actual, unique paying clients who purchased and received at least one legal service as of the date of issuance of this certificate.

The verified count represents actual, unique paying clients and excludes enquiries, prospects, website visitors, communications that did not result in a purchased service, and duplicate client records.
